

# NORDIC CONFERENCE ON GENDER EQUALITY AND DIVERSITY WITHIN THE FIRE AND RESCUE SERVICE

November 6-7 2018  
Malmö, Sweden

## Save the date!

Save the date for the first Nordic conference on how to promote gender equality, diversity and social inclusion within the fire and rescue service to create a sustainable recruitment base and diverse workforce, which corresponds to, and reflects, your local community demands.

### The conference will focus on:

- The organizational perspective by focusing on gender equality, diversity and social inclusion
- How gender equality, diversity and social inclusion can help reduce accidents
- How gender equality and diversity can aid the fire and rescue service in promoting social inclusion and why the service should take part in social inclusion activities

### Stay tuned for programme and invitation

We offer you two days of sharing knowledge, networking and inspiration in Malmö, Sweden. During spring/summer, we will present a detailed programme and send out invitations to the conference. We look forward to meeting you all!
